

Welcome to the School Age Child Care (SACC) Program- a great place to be a child!

SACC provides fun, safe and educational care for children in kindergarten-sixth grade before school, after school and during school vacations in most Fairfax County public elementary schools. Children with special needs are fully included in all SACC centers.

The SACC program serves children five days a week, Monday-Friday.

Before School - 7 a.m. until school begins.

After School - End of school day until 6:15 p.m. SACC service begins when the children are dismissed from school.

Winter/Spring/Summer Programs - Full-day winter, spring and summer programs are offered at several consolidated sites throughout the county.

Comprehensive health and safety protocols are followed at all locations.

KIDS INCORPORATED! Making an Impact One Idea at a Time.

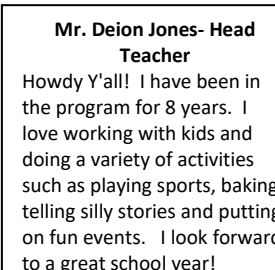

Each year SACC staff aim to inspire and educate children by engaging them in the yearly curriculum. This year our curriculum takes on a business approach as we nurture our SACC entrepreneurs. This curriculum is perfect for the SACC program as it is about inspiring ingenuity, fresh ideas, and having fun.

Meet the Staff

Mrs. Skyeler Madsen- Center Supervisor

I've been working for SACC for the past 15 years! I love a good road trip to the mountains, lake, or beach. I'm a mom of 2 girls whom I adore! I also have two fur babies, a dog, and a cat.

Mr. Deion Jones- Head Teacher

Howdy Y'all! I have been in the program for 8 years. I love working with kids and doing a variety of activities such as playing sports, baking, telling silly stories and putting on fun events. I look forward to a great school year!

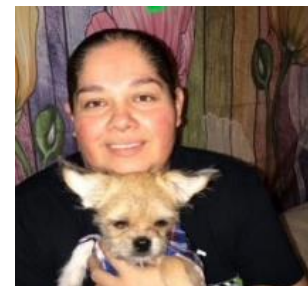

Ms. Amanda

Hi Dranesville Dragons! This is my 3rd year with the SACC program. I'm a graduate from VCU and I'm an avid basketball fan. I love spending time with my dog, pebbles and my two cats, Baby and Lady. I'm looking forward to connecting with families!

Ms. Tomasa

I'm excited to be back at Dranesville for my 12th year! I have 3 dogs and enjoy taking vacations in Florida with my family. I enjoy painting and doing puzzles with the kids.
